Historic Warrior Run Church

Unique Venue

Warrior Run Church is an 1835 brick church, in the Gothic style. It is surrounded by a grove of beautiful shade trees and features a Civil War era cemetery that is open for tours or genealogical research.

The church is an original structure and is the perfect venue for weddings, recitals or other family events.

It seats 300 with plenty of parking in the lot adjacent to the building.

The church is available by contract. It is a state historic site and state guidelines must be followed. The grounds and ceremony are open to the public daily and tours of the church may be arranged.
