When you come to the Susquehanna River Valley, you may feel as if you’ve stepped back in time - the clip-clopping of horses and buggies as they hasten from countryside to town to sell their produce at roadside stands and farmers markets. And neighbors knew one another. While here, observe history that’s alive and thriving in real-educational experiences. Touch colorful quilts that took months to craft by hand. Taste our local specialties, such as whoopie pies, pot-pie, and apple butter. Whether you’re following the winding curves of our river or roads, you’ll discover a treasure at every turn.

Historical Facts:
UNDERGROUND RAILROAD - The Susquehanna River Valley is home to an Underground Railroad tour, which highlights our region’s historical contributions to this secret network of aid to escaped slaves with stops in Lewisburg, South Williamsport, Williamsport, Montourside, and Mansfield.

THE FORGOTTEN TOWN OF ALVIRA - The Union County town of Alvira was seized by the Government and leveled in 1942 to make room for a TNT plant. Now located on private ground, all that can be seen by the public is the site of the 1942 documentary film, “Surrender! The Sudden Death of Alvira, PA” - available at the Visitor Information Center in Lewisburg.

FAÇADE MURALS BRING HISTORY TO LIFE IN MILTON - The first Milton mural depicts the town’s History of Transportation, including canal boats, trolleys, rail, and trucks. Famous citizens are also shown. Milton’s Capitol Theatre, damaged by flooding and destroyed by fire, is the subject of the second mural.
Let the Heritage Trail lead you to our region's rich history.
