Cyclists must assume the risk for their own safety when traveling the suggested routes. Most of these roads do not have any special accommodations for bicycles. Whenever bicycles and cars share the road, there are inherent dangers. Ride defensively and in a predictable manner to avoid accidents. Be courteous. Make sure your bike is in good working condition. Always wear a helmet and bright colored clothing. For emergency assistance, call 911.

Ride to Spruce Run Reservoir

This ride combines the best of town and country. Beautiful homes, old farms, a meandering creek, and an 18th century mill are some of the highlights of this ride.
