Discover interesting butterfly facts, learn about their life cycle, and see different species in Butterflies. We now offer the chance to feed them! Ask our staff in the butterfly greenhouse for details. Dinosaurs Come to Life is back and better than ever. See life-size animatronic dinosaurs roar, spit, and bellow as you trek through this exciting educational exhibit with seven animatronic dinosaurs, including a whole Tyrannosaurus Rex family. Check out Dilophosaurus spitter’s new paint job! Citipati, Suchomimus, and Parasaurolophus hatchlings are back, and we’re especially excited about the addition of Quetzalcoatlus!
