## Group Tour Adventures

### Grand Slam Family Fun!

Visit the new World of Little League Museum, tour the grounds where the Little League World Series is held, perhaps visit the player dormitories and eat in the dining hall on this special behind-the-scenes Grand Slam tour. Also choose a narrated Susquehanna River cruise, visit to Clyde Peeling's Reptiland or boat tour of Penn's Cave, the only all-water cavern in America. And for something a little bit different we can include a paint class geared for any age group lead by a professional instructor resulting in a work of art to take home. Choose a few of these activities for a one-day tour or include all on a multi-day trip. **Great for parents, grandparents and kids!**

### Just Desserts

It's as delicious as it sounds! Indulge in desserts all day long on a one-day tour including a homemade bakery dessert from an Amish baker at Lewisburg's Wednesday Farmers Market or from a Penn Dutch confectioner at a dry goods store, a wine tasting with chocolate fondue treats and a meal with a chef demo dessert.

### Wining Around the Susquehanna Valley

Visit 3 vineyards including one with a stunning river view for delicious red and white wine tastings plus dine in an historic railroad station, now a themed eatery by the tracks.
