*Cyclists must assume the risk for their own safety when traveling the suggested routes. Most of these roads do not have any special accommodations for bicycles. Whenever bicycles and cars share the road, there are inherent dangers. Ride defensively and in a predictable manner to avoid accidents. Be courteous. Make sure your bike is in good working condition. Always wear a helmet and bright colored clothing. For emergency assistance, call 911.*

# R.B. Winter State Park

This ride offers some rocky/technical features. There is some considerable climbing. Bring plenty of food, water, and repair items. A State Forest map recommended - Mountain bike map available at park office.
