Cyclists must assume the risk for their own safety when traveling the suggested routes. Most of these roads do not have any special accommodations for bicycles. Whenever bicycles and cars share the road, there are inherent dangers. Ride defensively and in a predictable manner to avoid accidents. Be courteous. Make sure your bike is in good working condition. Always wear a helmet and bright colored clothing. For emergency assistance, call 911.

Ride along Penns Creek

This ride offers lovely scenery, local tourist attractions, swimming/wading creeks, and a choice of food stops. Be sure to check out Penns Creek Pottery and the Buggy Museum in Mifflinburg.
